## Special Design Features

- ▶ With the optional equipments , it can accommodate up to 5 passengers.
- ▶ Outstanding kitchen facilities , including 90 Lt. refrigerator and a larg 2 burner stove.
- ▶ Larger storage space zones including a hanger cabinet.
- ▶ Generous interior space with a cozy sitting area, which is convertible to a single bed.
- ▶ Monocoque technology keeps the cabin temperature same in either hot or cold weather. Thanks to its 20mm high density Polyurethane insulation, the cabin walls create the thermos affect condition, which prevents heat transfer from the inside to the outside and vice versa. Cooling or heating, the cabin keeps its room temperature.
